Public Health Nursing Administrators and Assistant Administrators  
Holders of Communicable Disease Control Manuals

**Re: Update to Communicable Disease Control Manual,  
Chapter 1 - Legionella**

A new guideline has been developed on *Legionella* Outbreak Investigation and Control. A draft version was approved by the BC Communicable Disease Advisory Committee on June 20 2017. This draft version is being circulated and posted and is to be used as a pilot. The guideline and pilot findings will be reviewed by the BC Communicable Disease Advisory Committee in a few months.

**Please insert the following in the Communicable Disease Control Manual, Chapter 1-  
Management of Specific Diseases, Legionellosis DRAFT**

Table of Contents  
Pages 1 to 42 Dated July 2017

If you have any questions or concerns, please contact me (604-707-2558;
